# **AUDITED FINANCIAL STATEMENTS**

# (WITH INDEPENDENT AUDITOR'S REPORT)

FOR THE YEAR 2022

## **INDEPENDENT AUDITOR'S REPORT**

To The Board of Trustees and Members of <u>INSTITUTE OF ELECTRONICS ENGINEERS OF THE PHILS., INC.</u> (A Non- Stock, Non- Profit Organization) TIN 278-184-152-000

Unit 712, Cityland Shaw Tower, Shaw Boulevard, Mandaluyong City

### **Report on the Audit of the Financial Statements**

#### **Opinion**

I have audited the accompanying financial statements of **INSTITUTE OF ELECTRONICS ENGINEERS OF THE PHILS., INC.** which comprise the Statement of Financial Position as at **December 31, 2022 (with comparative from 2021)**, Statement of Comprehensive Income, Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and Notes to the financial statements, including a summary of significant accounting policies.

In my opinion, the accompanying financial statements present fairly, in all material respects, the financial position of <u>INSTITUTE OF ELECTRONICS ENGINEERS OF THE PHILS., INC.</u> as at **December 31**, **2022 (with comparative from 2021)**, financial performance, changes in equity and cash flows for the year then ended in accordance with applicable Philippine Financial Reporting Standards (PFRS).

#### **Basis for Opinion**

I conducted my audits in accordance with Philippine Standards on Auditing (PSA). My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am independent of the entity in accordance with the Code of Ethics for Professional Accountants in the Philippines (Code of Ethics) together with the ethical requirements that are relevant to my audit of the financial statements in the Philippines and have fulfilled my other ethical responsibilities in accordance with these requirements and the Code of Ethics.

#### Key Audit Matters

Key audit matters are those matters that, in my professional judgment, were of most significant in my audit of the financial statements of the current period. These matters were addressed in the context of my audit of the financial statements as a whole, and in forming my opinion thereon, I do not provide a separate opinion on these matters.

#### Management Responsibility and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with applicable Philippine Financial Reporting Standards (PFRS), and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the entity's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue this auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with PSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with PSAs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on its ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

#### **Other Matters**

The financial statements of the Organization for the year December 31, 2021, presented for comparison, were audited by another external auditor and expressed an unqualified opinion.

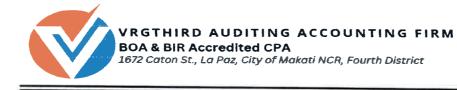

In reference to Revised SRC Rule 68 of the Securities and Exchange Commission (SEC), non-stock, nonprofit corporations including foundations which solicit or receive annual donations or contributions and/or with fund balance aggregating to less than Php25 million and Php100 million, respectively, over the preceding three years, the mandatory requirement for group C accredited external auditors is not required. Hence, the undersigned, being a BOA and BIR accredited CPA is sufficient to render audit report for the above company being less than the above-cited threshold.

#### Report on the Supplementary Information Required Under Revenue Regulations 15-2010

My audit was conducted for the purpose of forming an opinion on the basic financial statement taken as a whole. The supplementary information on taxes in the financial statement is presented for purposes of filing with the Bureau of Internal Revenue and is not required part of the basic financial statement. Such information is the responsibility of the management. The information has been subjected to the auditing procedures applied in my audit. In my opinion, the information is fairly stated in all material respects in relation to the basic financial statement taken as a whole.

#### STATEMENT OF MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL STATEMENTS

The management of **INSTITUTE OF ELECTRONICS ENGINEERS OF THE PHILIPPINES INC.** is responsible for the preparation and fair presentation of the financial statements including the schedules attached therein, for the year ended December 31, 2022 in accordance with the prescribed financial reporting framework indicated therein, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Trustees is responsible for overseeing the Company's financial reporting process.

The Board of Trustees reviews and approves the financial statements including the schedules attached therein, and submits the same to the members.

**Versuelo R. Garcia, III,** the independent auditor appointed by the stockholders, has audited the financial statements of the company in accordance with Philippine Standards on Auditing, and in its report to the stockholders or members, has expressed its opinion on the fairness of presentation upon completion of such audit.

NOTES TO FINANCIAL STATEMENTS (With Comparative Figures of December 31, 2021) DECEMBER 31, 2022 (In Philippine Pesos)

#### 1. GENERAL

Institute of Electronics Engineers of the Phils., Inc. (the Company) was registered with the Philippine Securities and Exchange Commission under SEC Registration No. CN200504041 on March 14, 2005 as a non-stock, non-profit corporation to primarily engage to promote, through scientific inquiry and study, the advancement of electronics, in theory and practice and in their application to allied fields of engineering and to human needs, to promote the dissemination of such knowledge gained, among the members of the corporation in particular and to members of other professions in general, so as to maintain a high level of proficiency and effectiveness as expected of us by our people, to promote fellowship, free exchange of ideas, and mutual help and respect among the members of the profession, to promote closer relationship and cooperation with other societies of similar nature to the end that the overall scientific advancement of the nation shall be accelerated equally in all aspects, to provide leadership and guidance to young professionals, and inspiration to students in the profession, to discover and encourage outstanding talent among the youths of our land who can contribute to the advancement of the profession, and to work for the establishment of standards of engineering practice; in electronics and communications, in their application to allied fields of engineering and to human needs, to the end that the interest and welfare of the public in general, and of the members in particular, can thereby be safeguarded.

The Organization is exempt from income tax under Section 30 (E) of the National Internal Revenue Code of 1997.

The Company's registered address is at Unit 712, Cityland Shaw Tower, Shaw Boulevard, Mandaluyong City, Philippines.

The accompanying financial statements of the Company were authorized for issue by the Management Committee on March 10, 2023.

#### 2. Basis of Preparation of Financial Statements

#### Basis of Preparation

The financial statements of Institute of Electronics Engineers of the Phils., Inc have been prepared on a historical cost convention basis. The financial statements are presented in Philippine Peso, which is the functional and presentation currency. Amounts are rounded off to the nearest peso, unless otherwise indicated.

#### Basis of Compliance

The financial statements have been prepared in compliance with the Philippine Financial Reporting Standards for Small Entities (PFRS for SEs) issued by the Financial Reporting Standards Council of the Philippines.

#### 3. Significant Accounting Policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

(A Non-stock, Non-profit Corporation)

NOTES TO FINANCIAL STATEMENTS (With Comparative Figures of December 31, 2021) DECEMBER 31, 2022 (In Philippine Pesos)

#### **Financial Assets and Financial Liabilities**

#### Initial Recognition of Financial Assets and Liabilities

The Company shall recognize a financial asset or a financial liability only when the Company becomes a party to the contractual provisions of the instrument.

#### Initial Measurement

When a financial asset or financial liability is recognized initially, the Company shall measure it at the transaction price (including transaction costs except in the initial measurement of financial assets and liabilities that are measured at fair value through profit or loss) unless the arrangement constitutes, in effect, a financing transaction. A financing transaction may take place in connection with the sale of goods or services, for example, if payments is deferred beyond normal business terms or is financed at a rate of interest that is not a market rate. If the arrangement constitutes a financing transaction, the Company shall measure the financial asset or financial liability at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

#### Subsequent Measurement

At the end of each reporting period, the Company shall measure financial instruments as follows, without any deduction for transactions costs the Company may incur on sale or other disposal:

- (a) Debt instruments shall be measured at amortized cost using the effective interest method. Debt instruments that are classified as current assets or current liabilities shall be measured at the undiscounted amount of cash or other consideration expected to be paid or received unless the arrangement constitutes, in effect, a financing transaction. If the arrangement constitutes a financing transaction, the entity shall measure the debt instrument at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.
- (b) Investments in shares shall be carried at cost less impairment, unless the investment in shares are traded in an active market, which shall be measured at the lower of cost or fair value, with changes in fair value recognized in proit or loss.

For shares traded in active market, the best evidence of fair value is the quoted price for those shares in that active market.

#### Impairment of Financial Instruments

At the end of each reporting period, an entity shall assess whether there is objective evidence of impairment of any financial assets that are measured at cost or amortized cost. If there is objective evidence of impairment, the entity shall recognize an impairment loss in profit or loss immediately.

(A Non-stock, Non-profit Corporation)

NOTES TO FINANCIAL STATEMENTS (With Comparative Figures of December 31, 2021) DECEMBER 31, 2022 (In Philippine Pesos)

For financial assets measured at amortized cost, impairment loss is the difference between the asset's carrying amount and the present value of estimated cash flows discounted at the asset's original effective interest rate. If such a financial asset has a variable interest rate, the discount rate for measuring any impairment loss is the current effective interest rate determined under the contract. For a financial asset measured at cost less impairment, impairment loss is the difference between the asset's carrying amount and the best estimate (which will necessarily be an approximation) of the amount (which might be zero) that the entity would receive for the asset if it were to be sold at the reporting date.

#### Reversal

If, in a subsequent period, the amount of an impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognized (such as an improvement in the debtor's credit rating), the entity shall reverse the previously recognized impairment loss either directly or by adjusting an allowance account. The reversal shall not result in a carrying amount of the financial asset (net of allowance account) that exceeds what the carrying amount would have been had the impairment not previously been recognized. The entity shall recognize the amount of the reversal in profit or loss immediately.

#### Derecognition of Financial Assets

The Company shall derecognize a financial asset only when:

- (a) the contractual rights to the cash flows from the financial asset expires or are settled; or
- (b) the Company transfers to another party substantially all of the risks and rewards of ownership of the financial asset; or

#### Derecognition of Financial Liabilities

The Company shall derecognize a financial liability (or a part of a financial liability) only when it is extinguished—i.e. when the obligation specified in the contract is discharged, cancelled or expires.

If an existing borrower and lender exchange financial instruments with substantially different terms, the entities shall account for the transaction as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, an entity shall account for a substantial modification of the terms of an existing financial liability or a part of it (whether or not attributable to the financial difficulty of the debtor) as an extinguishment of the original financial liability and the recognition of a new financial liability.

The Company shall recognize in profit or loss any difference between the carrying amount of the financial liability (or part of a financial liability) extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed.

(A Non-stock, Non-profit Corporation) NOTES TO FINANCIAL STATEMENTS (With Comparative Figures of December 31, 2021) DECEMBER 31, 2022 (In Philippine Pesos)

#### **Financial Assets**

Financial assets include cash and cash equivalents, trade receivables and non-current deposits. The designation of financial assets is re-evaluated at every reporting date at which date a choice of classification or accounting treatment is available, subject to compliance with specific provision of applicable accounting standards.

#### Cash and Cash Equivalents

Cash includes cash in bank. Cash equivalents are short-term, highly liquid investments that are readily convertible into cash which are subject to an insignificant risk of change in value with maturities of three months or less.

#### **Trade Receivables**

Trade and other receivables are recognized initially at its transaction price. They are subsequently measured at amortized cost less provision for impairment. A provision for impairment of accounts receivables is established when there is objective evidence that the Company will not be able to collect all amounts due according to the original terms of the receivables. Receivables are written off against the allowance for impairment losses when management believes that the collectability of the principal is unlikely.

#### **Property and Equipment**

Property and equipment is stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in a manner intended by management.

The Company adds to the carrying amount of an item of property and equipment the cost of replacing parts of such an item when that cost is incurred if the replacement part is expected to provide incremental future benefits. The carrying amount of the replaced part is derecognized. All other repairs and maintenance are charged to profit or loss during the period in which they are incurred.

Depreciation on assets is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using the straight-line method.

The estimated useful of office equipment is 3 years.

Building - Office Condominium	20 years
Furnitures and Fixtures	5 years
Building - Office	20 years
Building - Improvements	20 years
IT - Equipment	5 years
Office Equipment	5 years

The assets' residual values, useful lives and depreciation methods are reviewed and adjusted prospectively if appropriate, it there is an indication of a significant change since the last reporting date.

(A Non-stock, Non-profit Corporation)

NOTES TO FINANCIAL STATEMENTS (With Comparative Figures of December 31, 2021) DECEMBER 31, 2022 (In Philippine Pesos)

An asset's carrying amount is written down immediately to its recoverable amount if the assets' carrying amount is greater than its recoverable amount.Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognized within other gains/losses-net in the statement of income (loss).

#### **Other Assets**

Other assets are recognized when it is probable that the future economic benefits will flow to the Company and the assets have a cost or value that can be measured reliably.

Other assets are initially recognized at historical cost and are subsequently measured at amortized cost less any impairment. The Company classifies other assets as current when it expects to realize the asset within 12 months after the reporting date, otherwise it is classified as non-current.

#### Impairment of Assets Other Than Inventories

An entity shall assess at each reporting date whether there is any indication that an asset may be impaired. If any such indication exists, the entity shall estimate the recoverable amount of the asset. If there is no indication of impairment, it is not necessary to estimate the recoverable amount.

If, and only if, the recoverable amount of an asset is less than its carrying amount, the entity shall reduce the carrying amount of the asset to its recoverable amount. That reduction is an impairment loss. An entity shall recognize an impairment loss immediately in profit or loss.

#### **Financial Liabilities**

Financial liabilities include trade and other payables (except VAT payable, withholding taxes payable, etc.) and interest bearing borowings. All interest-related charges are included as part of finance costs in the statement of income (loss).

#### Trade and Other Payables

Payables are stated at their nominal value. A liability is recognized when it is probable that an outflow of resources embodying economic benefits will result from the settlement of present obligation and the amount at which the settlement will take place can be measured reliably.

#### **Borrowings and Borrowing Costs**

Borrowings are recognized initially at the transaction price (that is, the present value of cash payable to the bank, including transaction costs). Borrowings are subsequently stated at amortized cost. Interest expense is recognized on the basis of the effective interest method and is included in the finance costs.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.

All borrowing costs are expensed as incurred.

(A Non-stock, Non-profit Corporation) NOTES TO FINANCIAL STATEMENTS (With Comparative Figures of December 31, 2021) DECEMBER 31, 2022 (In Philippine Pesos)

#### Provisions

Provisions for restructuring costs and legal claims are recognized when: the group has a present legal or constructive obligation as a result of past events; it is probable that a transfer of economic benefits will be required to settle the obligation; and the amount can be reliably estimated. Restructuring provisions comprise lease termination penalties and employee termination payments. Provisions are not recognized for future operating losses.

Provisions are measured at the present value of the amount expected to be required to settle the obligation using a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the obligation. The increase in the provision due to passage of time is recognized as interest expense.

#### Contingencies

A contingent liability is either a possible but uncertain obligation, or a present obligation that is not recognized as a liability because either it is not probable that an outflow will occur or the amount cannot be measured reliably. Management does not recognize a contingent liability as a liability unless it has been acquired in a business combination.

A contingent liability is disclosed unless the possibility of an outflow of resources embodying economic benefit is remote.

#### **Fund Balance**

Member's Equity represents the cumulative balance of excess revenue over expenses, prior period adjustments, effect of changes in accounting policy and other capital adjustments.

#### **Revenue and Expense Recognition**

Revenue is the gross inflow of economic benefits during the period arising in the course of the ordinary activities of an entity when those inflows result in increases in equity, other than increases relating to contributions from members.

An entity shall measure revenue at the fair value of the consideration received or receivable. The fair value of the consideration received or receivable is after deducting the amount of any trade discounts, prompt settlement discounts and volume rebates allowed by the entity. The fair value also takes into account the time value of money.

An entity shall include in revenue only the gross inflows of economic benefits received and receivable by the entity on its own account. An entity shall exclude from revenue all amounts collected on behalf of third parties, for example sales taxes, goods and services taxes and value added taxes collected on behalf of a government. In an agency relationship, an entity shall include in revenue only the amount of its commission. The amounts collected on behalf of the principal are not revenue of the entity.

(A Non-stock, Non-profit Corporation)

#### NOTES TO FINANCIAL STATEMENTS (With Comparative Figures of December 31, 2021) DECEMBER 31, 2022 (In Philippine Pesos)

#### Sale of Services

Service income is recognized when the outcome of the transaction involving the rendering of services can be estimated reliably; revenue associated with the transaction is recognized when services has been rendered.

#### Membership Dues

Membership dues are regular payments made by members. The dues represent the cost of being a member of the corporation, and are used to fund activities carried out by the corporation. Membership dues are distinct from membership fees which tend to be one off payments.

#### Interest Income

Interest income is recognized on a time proportion basis that takes into account the effective yield on the asset.

#### Expenses

Expenses are recognized when a decrease in future economic benefits related to a decrease in an asset or an increase in liability has arisen that can be measured reliably.

#### Income Taxes

The Organization is exempt from income tax under Section 30 (E) of the National Internal Revenue Code of 1997. However, the income of whatever kind and character of the from any of its properties, real or personal, or from any of its activities conducted for profit, regardless of the disposition made, such income shall be subjected to tax.

#### Employee Benefits

Employee benefits are all forms of consideration given by the Company in exchange for service rendered by employees, including directors and management. The Company shall recognize the cost of all employee benefits to which its employees have become entitled as a result of service rendered to the entity during the reporting period:

- a.) as a liability, after deducting amounts that have been paid directly to the employees; and
- b.) as an expense, unless another section of this Framework requires the cost to be recognized as part of the cost of an asset.

#### Short-term benefits

Short-term employee benefits are employee benefits (other than termination benefits) that are wholly due within twelve months after the end of the period in which the employees render the related service, for example, wages, salaries, annual bonus payable, social security contributions and non-monetary benefits such as cars. When an employee has rendered service to an entity during the reporting period, the entity shall measure the amounts recognized at the undiscounted amount of short-term employee benefits expected to be paid in exchange for that service.

(A Non-stock, Non-profit Corporation) NOTES TO FINANCIAL STATEMENTS (With Comparative Figures of December 31, 2021) DECEMBER 31, 2022 (In Philippine Pesos)

#### **Correction of Prior Period Errors**

Prior period errors are omissions from and misstatements in the Company's financial statements for one or more periods arising from failure to use or misuse of reliable information that:

- a.) was available when financial statements for those periods were authorized for issue; and
- b.) could reasonably be expected to have been obtained and taken into account in the preparation and presentation of those financial statements.

Such errors include the effects of mathematical mistakes, mistakes in applying accounting policies, oversights or misinterpretations of facts and fraud.

An entity shall correct material prior period errors by excluding its impact from net income for the period when the error is discovered. The carrying amounts of assets and liabilities at the beginning of the current period shall be restated to correct the material prior period error. Any cumulative effect shall be recognized as an adjustment to the opening balance of retained earnings (or other component of equity, as appropriate) of the current period. Comparative information shall not be restated.

#### **Related Parties**

Related party relationship exists when one party has the ability to control, directly or indirectly through one or more intermediaries, the other party or exercise significant influence over the other party in making financial and operating decisions. Such relationship also exist between and/or among entities which are under common control with the reporting enterprise, or between and/or among the reporting enterprises and their key management personnel, directors, or its shareholders. In considering each possible related party relationship, attention is directed to the substance of the relationship, and not merely the legal form.

#### Events After the Reporting Date

The Company identifies subsequent events as events that occurred after the reporting date but before the date when the financial statements were authorized for issue. Any subsequent events that provide additional information about the Company's financial position at the reporting date are reflected in the financial statements. Events that are not adjusting events are disclosed in the notes to the financial statements when material.

#### 4. CASH AND CASH EQUIVALENTS

As at year end, this account is comprised of the following:

	2022	2021
Cash in bank	18,660,550	5,555,015
Petty cash fund	10,000	23,703
CPD fund	10,000	10,000
Total	18,680,550	5,588,718

Cash in bank generally earns interest at banks daily deposit rate. Related interest income subject to final tax amounted to Php1,332 in 2022 and Php52,532 in 2021.

(A Non-stock, Non-profit Corporation)

#### NOTES TO FINANCIAL STATEMENTS (With Comparative Figures of December 31, 2021) **DECEMBER 31. 2022** (In Philippine Pesos)

#### 5. OTHER RECEIVABLES

This account includes the following:

2022	2021
4,338,857	2,629,950
2,165,988	7,462,888
196,980	196,980
6,701,825	10,289,818
	4,338,857 2,165,988 196,980

Other receivables have been reviewed for indicators of impairment. There were no indications of impairment on receivables as of December 31, 2022 and 2021.

#### 6. OTHER CURRENT ASSET

Other current asset pertain to excess or unused withholding taxes on compensation as at reporting date which could be applied against any future tax liabilities of the Company.

#### 7. PROPERTY AND EQUIPMENT

As at December 31, 2022, the management believes that there was no indication that the Company's property and equipment has been impaired (see Annex 1 for work forward analysis).

None of the Company's property and equipment has been pledged as security for its liabilities as at reporting date.

#### 8. TRADE AND OTHER PAYABLES

This account includes the following:

	2022	2021
Expanded withholding tax payable	15,386	2,248
SSS, PHIC and HDMF payable	14,530	4,485
SSS loan payable	4,015	13,932
Accrued expenses	-	66,250
Total	33,931	86,915

Payables to government agencies like VAT payable, withholding taxes payable and SSS, PHIC and HDMF payables are normally settled within the following month.

Accrued expenses pertain to accrual of various expenses which are short-term in nature and are expected to be settled within six (6) months period.

#### 9. FUND BALANCE

The fund balance of the Institution are used for the operational activities in conformity with the approved work plans, budgets, personnel and financial guidelines and policies. As of December 31, 2022 and 2021, fund balances amounted to Php42,654,629 and Php34,288,132, respectively.

(A Non-stock, Non-profit Corporation)
