GENERAL MEMBERSHIP**

SUBJECT: **IECEP NATIONAL ELECTRONICS AND TELECOMMUNICATIONS (NET)
WEEK CELEBRATION**

DATE **01 MAY 2023**

The significance and importance of Electronics and Telecommunications in our everyday lives cannot be underscored as we now live in the digital age era wherein every system and solutions we are experiencing are by-products of the aforementioned technologies. The National Electronics and Telecommunications (NET) Week Celebration is our avenue to highlight the value of Electronics and Telecommunications and how it is vital in the lives of every individual.

By virtue of Proclamation No. 238 Series of 1988, signed by then-President Corazon C. Aquino, the country affirmed its support to the week-long nationwide celebration every May 17-23 and how Electronics and Telecommunications are vital in the development and growth of the nation's economy.

This annual celebration inspires all of our Electronics Technicians and Engineers from the country and across the globe by providing a platform and an opportunity for them to speak up, be empowered, and to be heard louder than ever. IECEP, being an organization which leads these professionals are the proudest to take the lead in this celebration.

As such, all Chapters and Societies are hereby enjoined to facilitate and create activities this May 17-23 that will highlight the importance and role of Electronics and Telecommunications as well as its Practitioners – our Electronics Technicians, Electronics Engineers and Professional Electronics Engineers towards the community and the nation.

Photo and Video documentations with Live Streaming on the Chapter FB Pages are highly encouraged, if applicable, to highlight the IECEP-wide support for such activities. In addition, Chapters are requested to share online collaterals through their respective social media channels either from IECEP National or from the official pages of concerned agencies. Physical Banners, as far as practicable, are likewise to be displayed, in your respective offices, if applicable.
